Dear Betsi-Ann, Riaan, the Staff and Students of CLP

Thank you for inviting me to sit on the judging panel of the 2008 student's body of work. I felt quite honored to be a part of this process and I was impressed with what was presented for judging.

The standard of work produced was very high overall and there were some fantastic interpretations of theme and photographic process. I believe that you can stand proud of the efforts that have gone into producing the final body of work and the results that have been achieved by the students as a result of the input and directional guidance of both you and your staff.

I wish you, your staff and students all the best for the coming year and look forward to a continued relationship with CLP in the future.

With best regards

Paul Hofman
